FREQUENTLY ASKED QUESTIONS AND ANSWERS

Q. Where can I get support?

A. You can reach SPACEFARER GAMES LTD by contacting us through our Community Hub on Steam. Please note that any discussions on our Community Hub are not of official status if it has been replied by a third-party other than SPACEFARER GAMES itself.

Q. I am experiencing a problem with the game. What can I do to solve this?

amazin George Instruction Manual

A. Check that this is not a progression issue. Explore everywhere and talk to everyone. If it is a gameplay bug or system problem causing the game to crash or act as it is not designed to, check the System requirements for your computer above. The game may not be running on a suitable system in which glitches can occur. If it is a bug, you can report it to us on our Community Hub.
